# Mappings

erwin DI Business User Portal (BUP) gives you access to all the mappings. The Mappings grid displays all the mappings and you can easily navigate through the grid using advanced filtering mechanisms to find the required mapping. You can view mapping details with additional mapping information and analyze each mapping specification by viewing source, target, and transformation details. You can also view test specifications related to mappings.

To view the Mappings list in grid view, on the menu, click **Mappings**.

The Mappings grid appears.
